**MARCH 3-6 THE WORLD'S PREMIER
2024 MINERAL EXPLORATION
& MINING CONVENTION**

Join us for the 5th Annual "Kazakhstan Day" as part of Prospectors & Developers Association of Canada (PDAC) conference! This event combines cultural insight and information about Kazakhstan's thriving mining and mineral exploration industry.

Highlights of the Event:

Plenary Session: Introduction to Kazakhstan

The rich mosaic of Kazakhstan's culture, history, and investment climate paints a vivid picture of a country that seamlessly weaves together its diverse landscapes, economic potential, and strategic positioning within the global market.

Gain valuable insights into Kazakhstan's welcoming business environment and discover why it's a mining friendly jurisdiction.

Session 1: Northern Balkhash: opportunities for new discoveries

The session will start with a movie presentation "Northern Balkhash - the next copper elephant".

Explore the promising potential of Balkhash - most favorable mining province in Kazakhstan. Uncover the latest breakthroughs and exciting discoveries, learn about emerging exploration projects, geological trends, and potential resource deposits that are reshaping the region's mining landscape.

Session 2: Kazakhstan Mining Industry Review

Learn about the dynamic world of Kazakhstan's mining industry, key sectors, projects, and investment opportunities driving growth and innovation. Hear from industry decision makers on the current landscape and future prospects of Kazakhstan's mining sector.
